

Grady-White 222 Fisherman

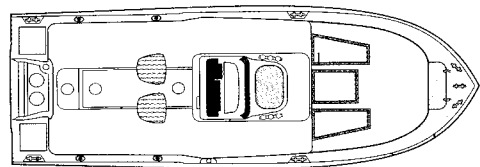

Overview: Among the best 22-foot fishing boats ever produced—excellent finish, good ride, tough as a Jeep. Impressive owner satisfaction.

Features: Bow casting platform; transom fish/storage boxes (insulated); pedestal helm seats; forward console seat; insulated fish/storage boxes (forward); anchor locker; raw-water washdown; rod storage racks; gunnel rod holders; livewell; fold-down motorwell bulkhead; cockpit bolsters; console head compartment; lockable electronics box; aft jump seats (removable). Options include T-top, bow pulpit with roller, trim tabs, dive platform, leaning post with rod holders.

Performance: About 45 mph top with 250 Yamaha.

Grady-White 230 Fisherman

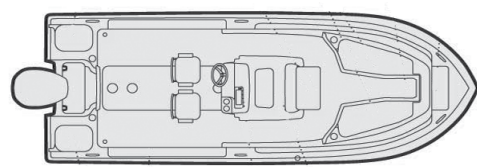

Overview: Top-tier center console—solid construction, gorgeous finish, seriously expensive. More hull deadrise (21 degrees) than previous Grady hulls. T-top mounts on the console, not the deck—nice. Single engine only.

Freatures: Lockable console with standup head; pedestal helm chairs; rod storage racks; forward console seat with removable cooler; trim tabs; raw-water washdown; cockpit lights; anchor locker; forward fish boxes (insulated); drink holders. Options include T-top with radio box, leaning bar, swim platform with ladder, cockpit bolsters, foldaway rear seat, 35-gallon livewell, bow seat cushions, cockpit shower.

Performance: Over 40 mph wide open with single Yamaha 200.

Grady-White 247 Advance

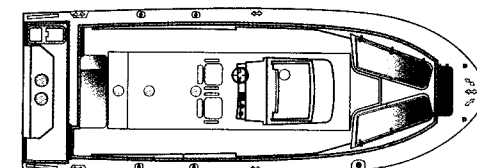

Overview: Multipurpose center console for fishing or cruising—heavily built, roomy, easy on the eye. Efficient deck layout has everything close at hand. Cockpit updated in 2000 with transom livewell. Used models are always in demand.

Features: Walk-in console with portable head; bow casting platform; pedestal helm chairs; fresh/raw-water washdowns; transom door; cockpit bolsters; tackle center; removable rear seat; forward fish/storage boxes; front console seat; rod holders (4); rod storage racks; trim tabs. Options include T-top with radio box, leaning bar, bow pulpit, bow cushions.

Performance: Close to 40 mph with single 250 Yamaha; 45+ with twin 150s.
